Covid Protocol:

- 1) We are being as cautious as possible so everyone's temperature will be taken as they enter the facility. Anyone with a temperature of 100.4 F or higher will be asked to leave.
- 2) Masks must be worn by everyone and at all times. We have a limited number of disposable face shields available for anyone that can't wear a mask.
- 3) We ask that everyone try to social distance as much as possible.
- 4) The locker rooms are not to be used. Rest rooms will be open.
- 5) Please bring your own water bottles. We have a non-contact water bottle filling station but it's filters can't keep up with heavy usage. Bottled water will be on sale.
- 6) Spectators- We are now able to allow a limited number of spectators. While the Governor's most recent Executive Order allows spectators, it limits occupancy indoors to 250 people. We have limited entries to 12 teams instead of the usual 16 in order to stay under 250 people and allow some spectators. With players, coaches and team reps and 10 spectators per team we will be approaching the 250 person limit. I would like each team playing this weekend to send a list with the names of that team's coaches, team reps and up to 10 spectators to Rob at rjfish13@yahoo.com . Because there are only 8 teams in the 12s division each team in that division will be allowed 20 spectators. Only people named on the list will be allowed to enter the facility. The admission fee will be \$10/person. Please email this list to Rob by Wednesday, April 28. Finally, in order to limit congestion in the building teams playing in the afternoon division should not show up any earlier than 2:30 pm and may be asked to wait in the parking lot or in their cars if the morning division is running late.
