Covid Protocol:

- 1) We are being as cautious as possible so everyone's temperature will be taken as they enter the facility. Anyone with a temperature of 100.4 F or higher will be asked to leave.
- 2) Masks must be worn by everyone and at all times. We have a limited number of disposable face shields available for anyone that can't wear a mask.
- 3) We ask that everyone try to social distance as much as possible.
- 4) The locker rooms are not to be used. Rest rooms will be open.
- 5) Please bring your own water bottles. We have a non-contact water bottle filling station but it's filters can't keep up with heavy usage. Bottled water will be on sale.
- 6) Spectators- We are now able to allow a limited number of spectators. While the Governor's most recent Executive Order allows spectators, it limits occupancy indoors to 250 people. We have limited entries to 12 teams instead of the usual 16 in order to stay under 250 people and allow some spectators. With players, coaches and team reps and 10 spectators per team we will be approaching the 250 person limit. I would like each team playing this weekend to email a list with the name of that team's coaches, team reps and up to 10 spectators to Rob at rob@marinegeneral.com. Only people named on the list will be allowed to enter the facility. Please email this list to Rob by Wednesday, March 10. Finally, in order to limit congestion in the building please do not show up any earlier than 30 minutes before the schedule start time for your pool.
